*Current as of 3/2025. Information is subject to change. Please verify contact information and ship-to locations with the SP.

KEEP IN MIND

In most cases, patients must speak to their Specialty Pharmacy to confirm information before they will receive their medication. It's important to remind patients that they may be receiving calls from a toll-free number and will need to verify personal information in order to receive their medication. Patients should be prepared to receive calls from their Specialty Pharmacy at the start of therapy, upon delivery of therapy, and as a reminder when they need a refill.

Download a TYMLOS Specialty Intake Form at TYMLOSintakeform.com

Please see full Prescribing Information at TYMLOSPI.com.

Payer Preferred or Mandated Specialty Pharmacies

IMPORTANT NOTE: Some payers may mandate or prefer a specific specialty pharmacy (SP) for TYMLOS, although there are exceptions and carve outs. For verification of benefits, contact the payer directly. For additional information or resources, visit tymloshcpresources.com.
